

Get Started with your AMS Trex™ Device Communicator in 5 Easy Steps!

Activate your AMS Trex to unlock powerful app functionality!

1

Create an account or sign into your existing account on: ecs.emerson.com/ECSPortal

2

Download and install Upgrade Studio, if you don't have it already installed.

3

Connect your AMS Trex via USB cable (included) to your computer where Upgrade Studio is installed.

4

Log in to Upgrade Studio using your new or existing account.

5

Select Activate Units in the top menu. Select your connected AMS Trex unit. Click Activate.

Updating your fleet of Trex units is now easier and more efficient with Upgrade Studio 2.0! Download updates once and install for each Trex.
