

Specialty Process Equipment & Sanitary Products

DeltaV™

- Distributed Control Systems Built for Batch Processing
- DeltaV Snycade Operations Management Software

PACSystems™

- PLCs, PACs
- Remote I/O, Ethernet Switches
- Servo Motion Control
- Operator Interfaces

Movicon™

- HMI/SCADA
- Energy & Alarm Management
- Plant Analytics

Fisher™

- Control Valves & Regulators
- FIELDVUE Digital Valve Controllers

Baumann™

- In Line & Angle Sanitary Control Valves
- High Rangeability, Compact Designs
- Utility & General Service Control

Keystone™

- Resilient Seated Butterfly Valves

Tescom™

- High Pressure Regulators
- Instrumentation Manifolds

Aventics™

- Valve Systems & Directional Controls
- Cylinders and Actuators

TopWorx™

- Limit Switches and Valve Controllers

Asco™

- Solenoid Valves

Rosemount and Micromotion

- Process Instrumentation Transmitters and Sensors

DELTA V™

FISHER™

BAUMANN™

KEYSTONE™

NEOTECHA™

TESCOM™
